NASCAR - Team Penske jacket (size XL) Driver #2, Brad Keselowski

All three of Keselowski's MENCS victories in 2018 had historical significance for Team Penske. His first win of the season came in the Bojangles' Southern 500 on Labor Day weekend at historic Darlington Raceway. The victory was Keselowski's first in 10 races at Darlington and was the first for Team Penske at the historic 1.366 mile South Carolina speedway since Bobby Allison swept both races in 1975.

The second victory came just eight days later at the Indianapolis Motor Speedway. Keselowski grabbed the lead with two laps to go and steadily pulled away over the final five miles, giving Roger Penske and the team its first Cup Series win at the legendary 2.5-mile speedway since stock cars began racing there in 1994.
